His Excellency Manny Mori  
President of the FSM  
FSM National Government

Dear President Mori:

Greetings from the State of Chuuk, ran anim! This to acknowledge receipt of your letter of March 10, 2015 with reference to your proposal of a High-level meeting between Chuuk State Leadership, National Government; Chuuk Delegation to FSM Congress and FSM Executive Branch and perhaps with US presence.

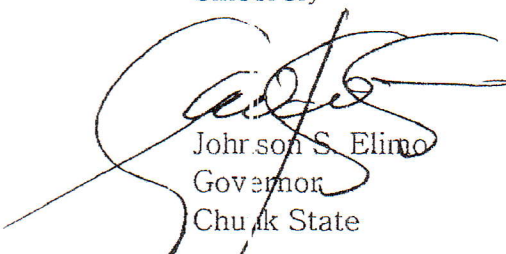

Do note, that I have shared copy of the letter to the Senate President and Speaker of the House of Representative,

I am regretful to inform you that the time of such proposal is very untimely for me as I will be off island around that week, traveling to Hawaii and the US mainland. Immediately after returning to Chuuk, I will be off island to the Philippines for medical attention. Furthermore, I realized that the Chuuk Leadership, if not all, most will be off island until May of 2015.

It is with this reason that I am regretful to advise that such time is not favorable to us here in Chuuk. Though, I am optimistic that an idea of such is definitely of valuable importance.

Thank you again for all the support and all the professional ideas you have shared with us especially on the Political Movement of Chuuk.

Sincerely

Johnson S. Elimo  
Governor  
Chuuk State
