Announcement: National Government Operations During Christmas

PALIKIR, Pohnpei—In a December 17th, 2018 memo from His Excellency, President Peter M. Christian to the National Government of the Federated States of Micronesia, all National Government employees are granted administrative leave effective at 12:00pm on December 24th, 2018 until 8:00am on January 2nd, 2019.

Essential government services, such as postal services, security services, customs, immigration, and quarantine services, will continue to operate unhindered. While the National Government will make as many accommodations as possible for issues that absolutely cannot wait, citizens working in the private sector and State Governments are requested to complete as much business as possible with National Government Departments prior to 12:00pm on December 24th. Doing so will help to ensure timely resolutions to your needs.

President Christian and Vice President George personally wish you, and all of our citizens, a Merry Christmas and a safe and prosperous New Year.
